

MESA-Polarimeter Workshop

Thursday, 15 June 2023

First Session: Polarimeter theory and concepts for MESA - 1395/00-131 - Conference Room I Front (Raumteil 00-131)

(10:15 - 12:00)

-Conveners: Simon Friederich

time	[id] title	presenter
10:15	[1] The normal-beam spin asymmetry in elastic electron scattering and its QED corrections	AMUNDSEN, Doris Jakubassa
11:00	[2] Polarization measurements at MESA with Mott and Möller polarimeters	AULENBACHER, Kurt
