

Virtual Workshop on the Atomic Structure of Actinides & Related Topics

In zoom, May 26 – 28, 2021

Topics to be covered:

Production of the actinides
Atomic structure theory
Spectroscopy approaches
Transport properties
Nuclear physics
Nuclear medicine

Keynote speakers:

Julie Ezold (ORNL)
Ekkehard Peik (PTB)
Bruce Marsh (CERN)
Alexei Buchachenko (SKOLTECH)
Julian Berengut (UNSW)
Alexander Kramida (NIST)
Klaus Wendt (JGU Mainz)
Rafael Ferrer (KU Leuven)
